Re: Dr. Ali Al-Timimi (48054-083)

Dear Warden Matevousian:

I am writing as counsel for Dr. Ali Al-Timimi concerning an urgent medical request.

I spoke with Dr. Al-Timimi who has been suffering from a dental condition with a high fever and swelling in his mouth. The condition is on the lower right side of his mouth and he has repeatedly requested medical care at his unit. For roughly two weeks, he has received no care or notice when an appointment would occur.

I am frankly alarmed by the long delay in medical care given the in-house medical unit for these inmates. I would appreciate confirmation that he has received medical attention today or an attorney-client call to confirm that medical care has been given. I can be reached by cell phone at [REDACTED].

Thank you for your time and consideration of this matter.

Respectfully,
